HONOR SYSTEM

Students take all written examinations and complete any specifically
designated assignments under the honor system. By committing
themselves to the honor system, all students accept responsibility
for assuring the integrity of the examinations and assignments
conducted under it. The Graduate Honor Council (GHC) is responsible for
investigating reported violations and for conducting a hearing when the
facts warrant. The Office of Student Judicial Programs, which reviews
the results of the investigations and hearings, considers the GHC’s
recommendations when issuing penalties. Procedures for accusations
arising out of summer classes or Rice Online classes may differ.

The Honor Code and other related information and resources are
located at the homepage of the Graduate Honor Council: https://
