Description: With an ever-growing number of industries becoming global in scope, managers are being increasingly challenged to manage firms with a global perspective. The course of “Global Strategy” seeks to provide students with the skills, knowledge and sensitivity required to attain and maintain sustainable competitive advantage within a global environment. This course highlights the following topics: motivations of going global, choices among various entry strategies, political risk in global businesses, and coordination and control of globally-distributed operations. Case discussions are adopted in the course.
