Description: What is the future form of the modern organization and the role of the manager? We will examine the impact of changes to the nature of work, organization, and society on the practice of management. An organization must be crafted to support its strategy. Nevertheless, strategy is always established in a particular social context. Our goal is to question the foundational assumptions of our most common organizational practices, assess their relevance as we look to the future, and attempt to separate fact from fiction in the advice given the modern manager.

EMBA 920 - MANAGING THE GLOBAL FIRM: MICRO FOUNDATIONS

Description: With an ever-growing number of industries becoming global in scope, managers are being increasingly challenged to manage firms with a global perspective. The course of “Global Strategy” seeks to provide students with the skills, knowledge and sensitivity required to attain and maintain sustainable competitive advantage within a global environment. This course highlights the following topics: motivations of going global, choices among various entry strategies, political risk in global businesses, and coordination and control of globally-distributed operations. Case discussions are adopted in the course.
