MASTER OF DATA SCIENCE (MDS) DEGREE, ONLINE PROGRAM

Program Learning Outcomes for the MDS Degree

Upon completing the MDS degree, students will be able to:

1. Develop a graduate-level understanding of the computational and statistical foundations of Data Science.
2. Through in-depth study, obtain mastery of either one of the core methods of Data Science or one application area of Data Science.
3. Apply Data Science techniques to solve difficult, real world problems, beginning with raw and dirty data, and ending with actionable insights that are effectively communicated to a lay client.

Requirements for the MDS Degree, Online Program

The MDS degree is a non-thesis master's degree. For general university requirements, please see Non-Thesis Master's Degrees (https://ga.rice.edu/graduate-students/academic-policies-procedures/regulations-procedures-non-thesis-masters-degrees/). For additional requirements, regulations, and procedures for all graduate programs, please see All Graduate Students (https://ga.rice.edu/graduate-students/academic-policies-procedures/regulations-procedures-all-degrees/).

Students pursuing the MDS degree must complete:

- A minimum of 10-13 courses (31-35 credit hours), depending on course selection, to satisfy degree requirements.
- A minimum of 31 credit hours of graduate-level study (graduate semester credit hours, coursework at the 500-level or above).
- A minimum of 24 graduate semester credit hours credit hours must be taken at Rice University.
- A minimum of 24 graduate semester credit hours must be taken in standard or traditional courses (with a course type of lecture, seminar, laboratory, lecture/laboratory).
- A minimum residency enrollment of one fall or spring semester of part-time graduate study at Rice University.
- A maximum of 2 courses (6 graduate semester credit hours) from transfer credit. For additional departmental guidelines regarding transfer credit, see the Policies tab.
- The requirements for one area of specialization (see below for areas of specialization). The MDS degree program offers four areas of specialization:
  - Business Analytics (p. 2), or
  - Image Processing (p. 2), or
  - Machine Learning (p. 2), or
  - Breadth (p. 2). (Breadth is an area of specialization comprised of electives from the other areas of specialization.)
- A 10-week to 6 month internship to facilitate professional development (p. 2).
- A minimum overall GPA of 2.67 or higher in all Rice coursework.

- A minimum program GPA of 2.67 or higher in all Rice coursework that satisfies requirements for the non-thesis master's degree.

The courses listed below satisfy the requirements for this degree program. In certain instances, courses not on this official list may be substituted upon approval of the program's academic advisor, or where applicable, the department or program's Director of Graduate Studies. Course substitutions must be formally applied and entered into Degree Works by the department or program's Official Certifier (https://registrar.rice.edu/facstaff/degreeworks/officialcertifier/). Additionally, these must be approved by the Office of Graduate and Postdoctoral Studies. Students and their academic advisors should identify and clearly document the courses to be taken.

Area of Specialization

1
Master of Data Science (MDS) Degree, Online Program

Select 1 from the following Areas of Specialization (see Areas of Specialization below):

- Business Analytics
- Image Processing
- Machine Learning
- Breadth

Professional Development

Select 1 from the following: 0-3

- A Professional Development course (see course list below)
- An internship 10 weeks to 6 months in length. Students are responsible for obtaining and selecting an internship that best aligns with their career goals.

Capstone 1

- DSCI 535 / COMP 549 APPLIED MACHINE LEARNING AND DATA SCIENCE PROJECTS 4

Total Credit Hours 31-35

Footnotes and Additional Information

1 Students in either program (online or on-campus) will be allowed to take up to 9 credit hours in the other modality (on-campus or online) with permission from the program advisors.

Areas of Specialization

Students must complete a minimum of 3 courses (minimum of 9 credit hours) from one Area of Specialization.

Area of Specialization: Business Analytics

Select all of the following:

- BUSI 711 DATA-DRIVEN MARKETING I 1.5
- BUSI 712 DATA-DRIVEN MARKETING II 1.5
- BUSI 721 FOUNDATIONS OF FINANCE 1.5
- BUSI 722 QUANTITATIVE FINANCE 1.5
- BUSI 731 FOUNDATIONS OF OPERATIONS MANAGEMENT 1.5
- BUSI 732 QUANTITATIVE OPERATIONS MANAGEMENT 1.5

Total Credit Hours 9

Area of Specialization: Image Processing

Select a minimum of 3 courses (minimum of 9 credit hours) from the following:

- COMP 646 DEEP LEARNING FOR VISION AND LANGUAGE
- ELEC 542 NEURAL METHODS FOR IMAGE SYNTHESIS
- ELEC 546 / COMP 546 INTRODUCTION TO COMPUTER VISION
- ELEC 549 COMPUTATIONAL PHOTOGRAPHY

Total Credit Hours 9

Area of Specialization: Machine Learning

Select a minimum of 3 courses (minimum of 9 credit hours) from the following:

- COMP 514 OPTIMIZATION: ALGORITHMS, COMPLEXITY, AND APPROXIMATIONS
- COMP 559 MACHINE LEARNING WITH GRAPHS
- COMP 631 INTRODUCTION TO INFORMATION RETRIEVAL
- COMP 641 GRADUATE SEMINAR ON INTERACTIVE MACHINE LEARNING
- COMP 646 DEEP LEARNING FOR VISION AND LANGUAGE
- ELEC 515 MACHINE LEARNING FOR RESOURCE-CONSTRAINED PLATFORMS
- ELEC 573 NETWORK SCIENCE AND ANALYTICS
- ELEC 575 LEARNING FROM SENSOR DATA
- ELEC 576 / COMP 576 A PRACTICAL INTRODUCTION TO DEEP MACHINE LEARNING

Total Credit Hours 9

Area of Specialization: Breadth

Select a minimum of 3 courses (minimum of 9 credit hours) from any of the areas of specialization listed above.

Please Note:

- The course BUSI 711 can only be counted towards the Area of Specialization: Breadth specialization if BUSI 712 is also counted towards the Breadth specialization.
- The course BUSI 721 can only be counted towards the Area of Specialization: Breadth specialization if BUSI 722 is also counted towards the Breadth specialization.
- The course BUSI 731 can only be counted towards the Area of Specialization: Breadth specialization if BUSI 732 is also counted towards the Breadth specialization.

Professional Development

Select up to 1 course from the following (or complete a 10-week to 6 month internship): 0-3

- RCEL 501 ENGINEERING MANAGEMENT & LEADERSHIP THEORY AND APPLICATION
- RCEL 502 ENGINEERING PROJECT MANAGEMENT
- RCEL 503 ENGINEERING PRODUCT MANAGEMENT IN INDUSTRY 4.0
- RCEL 504 ETHICAL-TECHNICAL LEADERSHIP
- RCEL 505 ENGINEERING ECONOMICS FOR LEADERS

Policies for the MDS Degree, Online Program

Department of Computer Science Graduate Program Handbook

The General Announcements (GA) is the official Rice curriculum. As an additional resource for students, the department of...
Computer Science publishes a graduate program handbook, which can be found here: https://gradhandbooks.rice.edu/2022_23/Computer_Science_Masters_Handbook.pdf

Financial Aid
No financial aid is available from Rice University or the Computer Science Department for students in the MDS degree program.

Transfer Credit
For Rice University's policy regarding transfer credit, see Transfer Credit (https://ga.rice.edu/graduate-students/academic-policies-procedures/regulations-procedures-all-degrees/#transfer). Some departments and programs have additional restrictions on transfer credit. Students are encouraged to meet with their academic program's advisor when considering transfer credit possibilities.

Departmental Transfer Credit Guidelines
Students pursuing the MDS degree should be aware of the following departmental transfer credit guidelines:

• No more than 2 courses (6 credit hours) of credit from another U.S. or international universities of similar standing as Rice may apply towards the degree. Transferred courses must be comparable in content and depth to the corresponding course at Rice, and must not have counted toward another degree.
• Request for transfer credit will be considered by the Computer Science Graduate Committee Chair, and the instructor of the equivalent Rice course.

Additional Information
For additional information, please see the Graduate Programs website at https://www.cs.rice.edu/academics/graduate-programs or contact the department at gradapp@rice.edu.

Opportunities for the MDS Degree, Online Program

Additional Information
For additional information, please see the Graduate Programs website at https://www.cs.rice.edu/academics/graduate-programs or contact the department at gradapp@rice.edu.
