Classical Studies is a major offered by the Classical and European Studies (CES) Department. The Classical Studies program provides instruction in the Greek and Latin languages, in Greek and Roman literature (studied in the original and in translation), in the classical civilizations surveyed as a whole, and in particular themes, genres, and periods of classical culture and its influence through subsequent ages.

The Classical Studies program offers two specializations that satisfy the requirements for a BA. The Classical Languages specialization emphasizes Greek and Latin and reading classical texts in the original languages. The Classical Civilizations specialization allows for a broader set of approaches and does not include a language requirement.
