

# MINOR IN SCIENCE AND TECHNOLOGY STUDIES

## Program Learning Outcomes for the Minor in Science and Technology Studies

Upon completing the minor in Science and Technology Studies, students will be able to:

1. Read scientific, technological and historical texts critically, assessing their social, cultural, and political origins and ramifications.
2. Identify the social determinants of science and technology in historical and contemporary contexts.
3. Understand the interplay of social and historical factors that have resulted in particular scientific and technological outcomes.
4. Pursue research projects using published sources, technical and experimental data, and archival materials.
5. Analyze data using both quantitative and qualitative methods.
6. Build strong arguments in their written work and oral presentations.

## Requirements for the Minor in Science and Technology Studies

Students pursuing in the minor in Science and Technology Studies must complete:

- A minimum of 6 courses (18 credit hours) to satisfy minor requirements.
- A minimum of 3 courses (9 credit hours) taken at the 300-level or above.
- A maximum of 2 courses (6 credit hours) from study abroad or transfer credit. For additional departmental guidelines regarding transfer credit, see the [Policies](#) (p. 2) tab.

## Policies for the Minor in Science and Technology Studies

### Program Restrictions and Exclusions

Students pursuing the minor in Science and Technology Studies should be aware of the following program restriction:

- As noted in [Majors, Minors, and Certificates](https://ga.rice.edu/undergraduate-students/academic-opportunities/majors-minors-certificates/) (https://ga.rice.edu/undergraduate-students/academic-opportunities/majors-minors-certificates/), i.) students may declare their intent to pursue a minor only after they have first declared a major, and ii.) students may not major and minor in the same subject.

### Transfer Credit

For Rice University's policy regarding transfer credit, see [Transfer Credit](https://ga.rice.edu/undergraduate-students/academic-policies-procedures/transfer-credit/) (https://ga.rice.edu/undergraduate-students/academic-policies-procedures/transfer-credit/). Some departments and programs have additional restrictions on transfer credit. The Office of Academic Advising maintains the university's official list of [transfer credit advisors](https://oaa.rice.edu/advising-network/transfer-credit-advisors/) (https://oaa.rice.edu/advising-network/transfer-credit-advisors/) on their website: <https://oaa.rice.edu>. Students are encouraged to meet with their academic program's transfer credit advisor when considering transfer credit possibilities.

### Program Transfer Credit Guidelines

Students pursuing the minor in Science and Technology Studies should be aware of the following program-specific transfer credit guidelines:

- No more than 2 courses (6 credit hours) of transfer credit from U.S. or international universities of similar standing as Rice may apply towards the minor.
- Requests for transfer credit will be considered by the program director (and/or the program's official transfer credit advisor) on an individual case-by-case basis.
