Program Learning Outcomes for the BMus Degree

Upon completing the BMus degree, students will be able to:

1. Demonstrate technical and musical competence in solo performance, composition, or music-historical research appropriate to the standards of a four-year undergraduate program.
2. Possess intermediate analytical skills in music theory and an understanding of how those skills inform music performance.
3. Acquire a fundamental understanding of the relationship between music history and music performance.
4. Develop superior technical collaborative skills in the student’s major area through a combination of practice, coaching, and rehearsal in large and small ensembles.

Requirements for the BMus Degree

For general university requirements, see Graduation Requirements (https://ga.rice.edu/undergraduate-students/academic-policies-procedures/graduation-requirements/). Students pursuing the BMus degree must complete:

- The requirements for one major offered by the BMus degree program.
- A minimum of 120 credit hours to satisfy degree requirements.

All students pursuing the BMus degree in any major must participate in core music, applied music, and other required music courses as well as in chamber music and large ensembles, plus electives. These students are entitled to one hour of private lessons each week of each semester they are enrolled as a music major; private or group lessons beyond this may result in additional fees.

The courses listed below satisfy the requirements for this major. In certain instances, courses not on this official list may be substituted upon approval of the major’s academic advisor, or where applicable, the department’s Director of Undergraduate Studies. (Course substitutions must be formally applied and entered into Degree Works by the major’s Official Certifier (https://registrar.rice.edu/facstaff/degeworks/officialcertifier/).) Students and their academic advisors should identify and clearly document the courses to be taken.

Policies for the BMus Degree

Admission

An audition, in person, is required for Instrumental Performance and Vocal Performance undergraduate applicants. A recorded audition may be considered in lieu of a live audition in extreme circumstances. Composition applicants must submit portfolios, and Music History applicants must provide samples of their written work. The Shepherd School faculty and the university's Committee on Admission jointly determine admission, the latter basing its evaluation on successful academic achievement and other standards of college admission.

Transfers and transfers from other colleges, conservatories, and universities must audition, and take placement exams in both music history and music theory. Once admitted, their prior preparation in music is assessed, which may reduce the required period of study at Rice.

Academic Standards

Curriculum and Degree Requirements

Further information on curricular requirements for all majors and degree programs is available from the Shepherd School of Music.

Grading Policy

A minimum grade of B- (2.67 grade points) is expected of all music students in their major applied area. A grade of C+ (2.33 grade points) or lower is considered unsatisfactory and will be evaluated in the following manner:

- A music major who receives a grade of C+ (2.33 grade points) or lower in their major applied area will be placed on music probation. Music probation signifies that the student's work has been sufficiently unsatisfactory to preclude graduation unless marked improvement is achieved promptly. A student on music probation may be absent from class only for extraordinary reasons and may not represent the school in any public function not directly a part of a degree program.
- If a student receives a second semester of C+ (2.33 grade points) or lower in their major applied area, whether for consecutive semesters or not, the student will be discontinued as a BMus degree seeking student and merit scholarship from the Shepherd School will be discontinued.

Please Note: For music history and musicology majors, a grade of C+ (2.33 grade points) or lower in any music history course is considered unsatisfactory and will be evaluated as noted above. For music theory majors, a grade of C+ (2.33 grade points) or lower in any advanced music theory course is considered unsatisfactory and will be evaluated as noted above.

Leaves of Absence and Voluntary Withdrawal

Music majors must obtain permission in writing from the dean of the Shepherd School before requesting a leave of absence from the university. Requests must be in the dean's office before the first day of classes in the semester for which leave is requested.

Music majors taking voluntary withdrawal from the university are not guaranteed readmission into the Shepherd School and may be asked to reapply/reaudit. Students should explain the reasons for their withdrawal to the dean before leaving campus.

Examinations

At the end of each semester, a jury examination in applied music may be given over the material studied during the semester. All degree candidates except BA students must demonstrate keyboard proficiency by examination. If students have little or no knowledge of the keyboard, they should enroll in secondary piano at the beginning of their first semester and continue study until they can meet the examination requirements.

Performance

Students are expected to perform frequently during their residence at Rice. Performance majors must present at least two full recitals; composition majors must present at least one full recital. Students are expected to attend both faculty and student recitals. In addition, all music majors must participate in the school's conducted ensembles as assigned.

Transfer Credit

For Rice University's policy regarding transfer credit, see Transfer Credit (https://ga.rice.edu/undergraduate-students/academic-policies-procedures/transfer-credit/). Some departments and programs have additional restrictions on transfer credit. The Office of Academic Advising maintains the university's official list of transfer credit advisors on their website: https://oaa.rice.edu. Students are encouraged to meet with their academic program's transfer credit advisor when considering transfer credit possibilities.

Departmental Transfer Credit Guidelines

Students pursuing the BMus degree should be aware of the following departmental transfer credit guidelines:

- Requests for transfer credit will be considered by the program director (and/or the program's official transfer credit advisor) on an individual case-by-case basis.

Opportunities for the BMus Degree

Academic Honors

The university recognizes academic excellence achieved over an undergraduate's academic history at Rice. For information on university honors, please see Latin Honors (https://ga.rice.edu/undergraduate-students/honors-distinctions/university/) (summa cum laude, magna cum laude, and cum laude) and Distinction in Research and Creative Work (https://ga.rice.edu/undergraduate-students/honors-distinctions/university/). Some departments have department-specific Honors awards or designations.
BMus/MMus Honors Program
Shepherd School students who demonstrate truly exceptional musical and academic accomplishment may apply for the BMus/MMus five-year coordinated program. This program, often referred to in the school as the BMus/MMus Honors Program, allows for the completion and awarding of both the BMus and MMus degrees concurrently. Application to this program is made in the student’s fifth or sixth semester of undergraduate studies.

The same general university requirements apply, but students seeking the combined BMus/MMus degrees must complete a total of at least 150 semester hours by graduation. The number of required hours varies according to major area.

The first five semesters of course work in this program parallel the core curriculum of the bachelor’s degrees. The sixth semester is a transitional semester during which students qualify for admission to the combined program. For further information, including application procedures, see the Shepherd School Student Handbook.

Other Musical Opportunities
Lectures and Performances
A visiting lecturer series, a professional concert series, and numerous distinguished visiting musicians contribute to the Shepherd School environment. The Houston Symphony Orchestra, Symphony Chorus, Houston Grand Opera, Houston Ballet, Houston Masterworks Chorus, Da Camera, Context, and Chamber Music Houston, as well as the activities of other institutions of higher learning in the area, also provide exceptional opportunities for students to enjoy a wide spectrum of music.
