

PRESIDENT'S HONOR ROLL

The President's Honor Roll, published each semester, recognizes outstanding undergraduate students in degree-granting programs. To be eligible, students must have earned grades in a total of 12 or more semester hours without receiving a failing grade of F (or U). Courses taken as Pass/Fail are not counted for the purposes of this rule. Students with temporary grades, such as INC (or OT), are not eligible for the President's Honor Roll until those grades have been updated to final grades. Approximately the top 30 percent of undergraduates receive this recognition each semester.
