Billing Information

Rice University uses an electronic billing system, commonly referred to as eBill. Each month, current term enrolled students will receive an email notification from Rice_Bursar@rice.edu, informing them of a newly published statement, along with instructions on how to view the statement within [ESTHER \(https://esther.rice.edu\)](https://esther.rice.edu).

Term payments are due in full based on the following schedule. Students may enroll in a deferred payment plan where the first installment is due on the following schedule:

Fall Semester	September 10
Spring Semester	February 10
Summer Sessions	June 10

Late Payments

Student accounts not paid in full (or whose payment plan is not current) by the billing due date will be subject to a 1.5% late fee. Late fees are calculated based on the amount past due. Students experiencing difficulty with paying their balance should contact the Bursar's Office promptly to discuss payment options.

Delinquent Accounts

Rice University reserves the right to block or cancel the registration of any student who fails to pay, when due, any indebtedness to the institution.

Academic credits, transcripts, and diplomas may be withheld until all financial obligations are paid in full.

Student Financial Responsibility Agreement

Before enrollment for a new semester can occur, students must consent to a [Student Financial Responsibility Agreement \(https://bursar.rice.edu/student-financial-responsibility-agreement/\)](https://bursar.rice.edu/student-financial-responsibility-agreement/).

Tuition Adjustments and Credit Balances

Tuition and Fee Reversals for Withdrawals and Drops

University Withdrawals

Students officially withdrawing from all courses are eligible for a 100% refund of tuition and fees through the deadlines listed on the [Academic Calendar \(https://registrar.rice.edu/calendars/\)](https://registrar.rice.edu/calendars/) by semester.

Students officially withdrawing from all courses after the 100% reversal of tuition and fee deadline are eligible for a partial reversal of tuition. Fees are not reversed. Consult the [Academic Calendar \(https://registrar.rice.edu/calendars/\)](https://registrar.rice.edu/calendars/) for specific tuition refund prorations based on the date of withdrawal.

Dropped Courses

Students dropping individual course(s) after the 100% tuition reversal period will not be eligible for a refund and will remain liable for payment of full tuition and fee charges though certain exceptions may apply, outlined in the [Registration Drop/Add \(https://ga.rice.edu/undergraduate-students/academic-policies-procedures/registration/#text\)](https://ga.rice.edu/undergraduate-students/academic-policies-procedures/registration/#text) section. Non-attendance does not constitute an official course drop or withdrawal.

All charges due to Rice University must be paid before refunds or adjustments will be permitted.

In cases of academic or disciplinary suspension, eligibility for tuition refunds and adjustments will depend on the conditions of the suspension and will be entirely at the option of the institution. Should circumstances beyond the reasonable control of Rice University result in curtailing classes, moving classes online, closing residence facilities, or otherwise withdrawing services that are a normal function of the institution, refunds of any nature will be at the discretion of university administration.

Financial Aid

In addition to the university's reversal schedule and in accordance with the Higher Education Amendments of 1992, if a student completely withdraws from the university and has utilized Federal Title IV funds (e.g. Federal Pell Grant, Federal Supplemental Educational Opportunity Grant [SEOG], Academic Competitiveness Grant, National SMART Grant, Federal Perkins Loan, Federal Direct Stafford Student Loan, Federal Direct PLUS, Federal Direct Graduate PLUS), during the semester in which they withdraw, the university will observe the federally mandated process in determining what, if any amount of money must be returned to the federal program(s).

The calculation of the return of funds may result in the student owing a balance to the university and/or the Department of Education.

Credit Balance Refunds

Student account credits resulting from excess Federal Financial Aid payments, scholarship payments, and loan payments are automatically refunded by the Bursar's Office; however, there may be certain circumstances where credits on student accounts occur that may not be automatically refunded. Reversed charges, over payments, tuition waivers, and other varying factors may lead to a credit balance on a student account.

For those credits not automatically refunded, students may request disbursement of the credit balance through email to bursar@rice.edu.

Credit Balance Refund Delivery

Direct Deposit Funds are issued to students that are enrolled in [Electronic Refunds \(https://bursar.rice.edu/student-accounts/general-refund-information/\)](https://bursar.rice.edu/student-accounts/general-refund-information/). For students not enrolled in [Electronic Refunds \(https://bursar.rice.edu/student-accounts/general-refund-information/\)](https://bursar.rice.edu/student-accounts/general-refund-information/), refund checks are issued and mailed directly from JP Morgan Chase to the student mailing address on record.

Health Insurance

All students, full-time or part-time—including those on away status—must have appropriate health insurance. For information about health insurance, visit [Health, Counseling, Wellbeing, and Safety \(https://ga.rice.edu/undergraduate-students/student-services-organizations/health-counseling-wellbeing/\)](https://ga.rice.edu/undergraduate-students/student-services-organizations/health-counseling-wellbeing/). For current premium rates for university-provided student health insurance, see the [Student Health Insurance \(https://studenthealthinsurance.rice.edu/current-rates/\)](https://studenthealthinsurance.rice.edu/current-rates/) website.

Living Expenses

Residence fees cover dining hall costs and residence maintenance. They are established each year as needs dictate. For 2024-25, the annual room and board charge for residence in a residential college is \$18,100.

Room and Board	Semester	Annual
Room	\$6,000	\$12,000
On Campus Meal Plan - Option A	\$3,050	\$6,100
Off Campus Meal Plan - Option B	\$935	\$1,870
Off Campus Meal Plan - Option C	\$1,700	\$3,400
Off Campus Meal Plan - Option F	\$700	\$1,400

Housing

An electronic housing agreement must be signed in [ESTHER \(https://esther.rice.edu\)](https://esther.rice.edu) no later than April 30 for students to receive residential room assignments. New students are required to submit a \$100, non-refundable housing deposit no later than April 30, which will be applied to that semester's room and board charges. For more information about housing, see [Undergraduate Student Life \(https://ga.rice.edu/undergraduate-students/student-services-organizations/life/\)](https://ga.rice.edu/undergraduate-students/student-services-organizations/life/).

Meal Plans

College Dining provides 375 meals with the purchase of the meal plan per semester. All students living on campus must purchase meal plan option A. It is recommended that students living off campus also purchase a meal plan. More information is available at the [Dining page \(https://dining.rice.edu/\)](https://dining.rice.edu/).

Refunds for Housing and Meal Plans

Students who move out of their college may receive a prorated credit to their student account, equal to the difference between the payments received and the reduced room and board charges. A termination fee will be applied. Exceptions for academic suspension, Rice-sponsored study abroad, family emergencies, and other isolated incidents will be considered on a case-by-case basis.
